

Free to Love

Join forces (and harmony) with the RPA Pride Puppets and sing about the importance of pronouns, allyship, and overall acceptance in the workplace.

Lyrics

If the world could be
Just a bit more accepting
Then everyone could live in unity
We just want to be
Loved for who we are
So, he and she and they can be
loved freely

'Cause I love you
And you love me
But she loves her
And he loves he
They love you
Even if you're not gay
And that's ok
As long as you love they

Cause I am he
And I am her
And I am they
Whatever you might say
'Cause love is love
If you're straight or gay
Or trans or queer
There's no need to fear

[CHORUS] X 2

So, let's be free
Free to love
Free to love
Free to love
Free to love
Free to love each other

[REPEAT ALL UNTIL CHORUS]

[FINAL CHORUS]

So, let's be free
Free to love
Free to love
Free to love
Free to love
Free to love
Free to love
Love each other
Love each other
Free to love each other
